	x		=	16
	+		=	12
	+		=	20
	x		=	?

Puzzle ID: 17154 **Solvemoji.com** HALLOWEEN EDITION

The answer was 96!

Red face x red face = 16 So, the red face is 4.

Lolly + red face = 12. $_ + 4 = 12$. Lolly = 8.

Lolly + Sweet = 20. $8 + _ = 20$. Sweet = 12.

2 lollies x red face = $24 \times 4 = 96$.
