

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

20th March 2020

Dear Parents / Carers,

Please find attached the information provided by Liverpool City Council in relation to providing childcare for key workers as of Monday 23rd March.

Liverpool as a city has implemented a city wide strategy that must be followed by all primary schools. I am aware that this may bring challenges to our children as our school has not been selected to be a hub. Schools have been selected in greater numbers where they are located near one of the city's hospitals. The rest of the city will have fewer selected schools.

Parents of key workers who have no other safe childcare available are entitled to take their child to the nearest site which is convenient for them.

At present our understanding is that staff of any school which has not been selected to be a hub will be instructed to work at a hub school to provide additional support. The hubs role is not to provide education, but childcare so that key workers can continue to work.

Please look after yourself and your family. Myself and the staff cannot wait to be able to welcome all of our children and families back to St. Paschal Baylon when everything returns to normal.

Yours sincerely,

Mr E. Flood
Headteacher
