20th March 2020

Dear Parents/Carers of Year 6 Children,

We are aware that the recent decision regarding school closures, has left our Year 6 children with many questions and feelings of uncertainty, in relation to end of year arrangements and activities.

At present, we are unaware as to when schools will reopen to all children. We hope that the following information will provide some reassurance on what we plan to do as a school, to ensure that our Year 6 children are still celebrated and rewarded for all of their hard work and many wonderful contributions during their time as a St Paschal Baylon Pupil.

- **Prom**

If children return to school before the end of the Summer Term, our end of year Prom will still go ahead as planned. However, if schools are to remain closed to most children until the Autumn Term, we will ensure that Prom is organised for an alternative date when our school has returned to normal. We will invite all of our Year 6 children back to school on this evening, and will inform parents in advance of the intended date and arrangements.

- **End of year certificates/Baylon Bears/yearbook**

If children return to school before the end of the Summer Term, our end of year certificates and Baylon Bears will be handed out, in school, as normal. If schools are to remain closed to most children until the Autumn Term, we will hand out the end of year gifts at an evening assembly when school has returned to normal. This date would also be shared in advance.

As you can appreciate, this is a time of uncertainty for everybody and there will be many unanswered questions for most of us at present. We do hope that you can feel assured in the knowledge that as a school, we will continue to do all that we can to make this experience as calm and positive for our children as we possibly can. We will also ensure that these events go ahead at some point in the near future as our wonderful Year 6 children fully deserve.

Once again, we thank you for your continued support.

Yours sincerely,

Mr Flood and the Year 6 Team
