

Holy Week

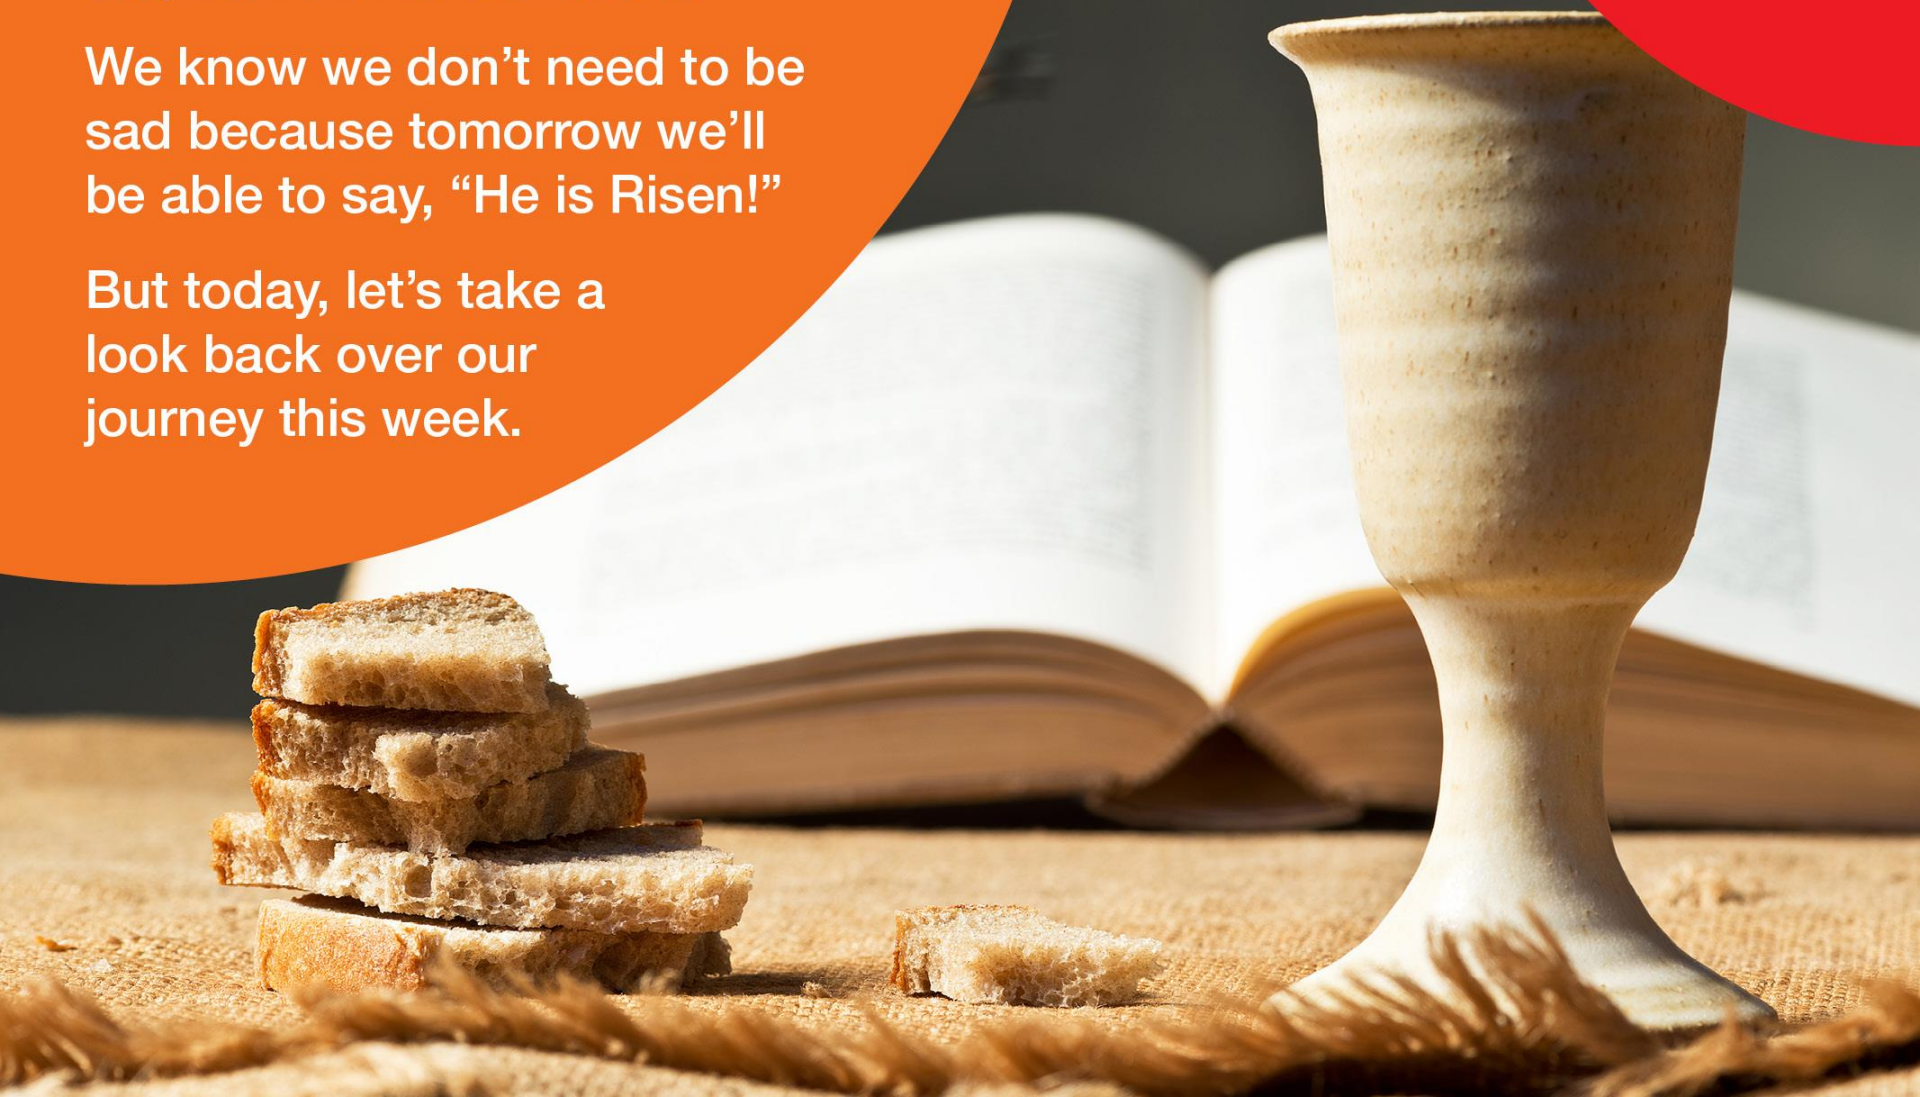

Saturday

Prayer Leader:

On Easter Saturday, Jesus lay in the tomb and His disciples were very sad about His death.

We know we don't need to be sad because tomorrow we'll be able to say, "He is Risen!"

But today, let's take a look back over our journey this week.

Film: The Last Supper (Saturday)

Prayer Leader:

Think for a moment:

- Have you made time to listen to Jesus this week?
- Did you manage to make something ordinary extra special?
- Were you able to share something good with someone this week?
- Did you give your all to something?
- Have you invited Jesus to meet you in your heart?

If you have – great! If you haven't, there's still time. Have a look at the list above: what will you do? Ask Jesus to help you now.

Prayer Leader:

Jesus, Thank you for being
with me this week and always.
Draw me closer to you this Easter.

God of grace:

All: Hear my prayer
