

# St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

19<sup>th</sup> April 2020

Dear Parents and Children,

Although I'm sure it was very different than we imagined, I hope that you all managed to enjoy your Easter Break.

I certainly found it strange. On the days that I've not been in work I've spent my time playing card games with my family and going for my daily walk. I'm even getting better at smiling now when I lose at cards! A very important skill to learn. A few weeks ago I hurt my back playing Nintendo Wii Tennis. Again being too competitive! It's amazing what you can find in cupboards when you have time to look. This stopped me from doing the list of jobs that my wife had kindly prepared, but I think too much time has passed now for me to keep using my back as an excuse for not being able to start.

I hope that you all enjoyed reading the letter from your teachers. They are all missing you and can't wait for us all to be back together in school.

Tomorrow, on the school website under your year group pages you will find the suggested work for the coming week. There will be a mini project for each year group and also an A4 sheet of suggested activities for Years 1+2, Years 3+4 and Years 5+6. (The children in Year 1, 3 and 5 who were absent in the last week will be sent their Spelling Shed login by text this week). These are only suggested activities and it is up to the adult looking after you how much they would like you to do. The suggested activities for our Reception children will continue to be set on Tapestry.

Starting tomorrow at 9.00am, BBC Bitesize will be showing daily lessons that children can follow. These are split into different age ranges and year groups and are definitely worth a watch. These can be accessed by the link below or by searching online for BBC Bitesize. A summary is available now.

As I wrote in my last letter, the most important thing by far at the moment is that you are all safe and well; are being kind to everyone and looking after everyone within your household.

Take care and look after yourselves and each other.  
With best wishes,

Mr. E. Flood.  
Headteacher.
