

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

6th April 2020

Dear Parents, Carers and Pupils,

I hope that you are all well and are looking after each other. These are certainly strange times when we are being asked to stay at home and only leave the house for essential reasons. This means that we are unable to see many members of our extended family at the present time, which is a real challenge for everyone. At St. Paschal Baylon Catholic Primary, we consider ourselves to be one big extended family and we are also missing seeing you every day. We are really looking forward to seeing you all again and spending time in each other's company.

In the meantime, the most important thing is that we follow all government advice and continue to look after each other in our own house. By doing this we are playing a vital role. We would also like to thank all our parents who are key workers and are working hard to help us get through this time. Our staff are proud to be currently working in the City Council Childcare Hub based at Rudston Primary School. From today the opening hours are extended from 7am – 7pm. This is to provide childcare for children whose parents are key workers and who have no other form of childcare during the hours they are in work.

Today is the first day of the Easter Holidays. For this reason we will not be setting any weekly tasks for the next two weeks. These will resume on Monday 20th April. Please find a link on our website to services that the Archdiocese will be streaming during Holy Week. If you are still looking for activities to keep you busy, Twinkle.co.uk are offering free resources for this period with a free sign up. Oxford Owl are also offering a free ebook library with a free sign up (oxfordowl.co.uk).

I'd like to reassure all children and parents not to worry about the work that you would normally be completing in school during this period of closure. All schools and children across the country are in the same position. We will have excellent plans in place to ensure that any work missed will be taught in a structured way on your return. The work that you will be set after Easter will give you many opportunities to practise your key skills whilst you are off school.

The most important thing at the moment is everyone's wellbeing and happiness. Please look after yourselves and each other. All of the staff are really missing you and we can't wait until we reopen the gates at St. Paschal Baylon and welcome everyone back!

Best wishes,

Mr. Flood and all the staff at St. Paschal Baylon.
