

Pray for the World

- **Equipment**

A map or globe, stickers or Post-it notes (heart shaped if you've got them)

- **Set up**

You can do this at a table or on the floor

- **Instructions**

Look at the map or globe. Who do you know who lives in a different place or community?

Can you find a place or country that you have heard about on the news recently? Which country would you like to pray for today?

Place a sticker or a Post-it onto the globe or map and pray for God's peace and healing.
