

The Trial – That's not fair

- **Equipment**

Strips of paper, pens, a stapler or sticky tape

- **Set up**

Cut a few strips lengthwise from the paper

- **Instructions**

Jesus' trial was unfair and rigged so that he would be sentenced to death.

Think of some things in our world that are not fair. Write each thing you've thought of onto a strip of paper. Staple or stick your strips linking them together into a paper chain.

When you've finished pick up the chain and, as you break the links, pray for God to put things right.
