Following In The Footsteps Of Christ

03/05/2020

Dear Parents and Children,

I can't believe that we are already in the month of May. I hope that you are all well and taking good care of each other. Over the last few weeks I have bumped into quite a few of our families while we have been out for our daily exercise. This has been really nice and it has been good to see that everyone was in good spirits.

This week our teachers have been making phone calls to the parents and children in their class. The feedback from this has been very positive. This was something that appeared to be appreciated by the children, parents and teachers. The teachers really enjoyed catching up with their pupils and getting to hear what they have been up to. As we await further guidance on what lies ahead for schools, if we are still off in a number of weeks we will look at repeating this.

This week, on Friday 8th May, we commemorate the 75th Anniversary of VE day. The first link below is to the British Legion website which has a series of suggested activities. The second link below provides a useful video for Key Stage 2 (Y3-6) to watch.

<https://teacheasy.org.uk/offers.html>

<https://www.britishlegion.org.uk/get-involved/remembrance/remembrance-events/ve-day-75>

"As we face some of the most challenging times since the end of the Second World War, now more than ever it is important to unite in recognition of service to the nation, just as communities did 75 years ago." British Legion Website.

These activities can be used in conjunction with the work set by class teachers on the year group pages on the website.

Can I remind everyone to use our school website to check for any updates. Weekly work will be set each Monday on the "Year Group" pages. The "News" section is also updated at different points during the week with activities for all age ranges.

Look after yourself and best wishes,

Mr. E. Flood.
Headteacher.
