

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

26th June 2020

Dear Parents/Carers,

I hope that all our children and families are well.

This has been a very enjoyable week, with firstly having the wonderful sight of Year 6 returning to our school on Monday and also finally getting to see Liverpool win the Premier League after a very long 30 year wait. I was a pupil in school myself the last time I got to see this happen!

As I stated last week, from Monday we reached the point that every classroom in the school is now occupied. This is due to the ever increasing number of children of key workers and the number of Year 6 who have returned.

We are however going to attempt to have Year 1 return in some capacity starting Monday 6th July. The new hall extension will be turned into a classroom that can accommodate up to 15 children at any one time. How this works will be dependent on exactly how many want to return. Based on the numbers from the initial survey we will be unable to fit everyone in at once. So it may be that we offer a set number of days so that everyone who wants to return can at least have the opportunity to spend some time in school.

To enable us to plan for this, we now need to know exactly how many parents want their children in Year 1 to return. Can **Year 1** parents please use the link below to complete the survey by **11.00am on Monday 29th June**. We can then begin planning at this point. Parents who are key workers and whose children are already attending school do not need to complete this, as your children will remain within their own separate Year 1 bubble. This is required to ensure children are not swapping between bubbles.

End of Year Reports:

This week I have received each child's end of year report from their teacher. The report will cover the period from September 2019 – March 2020. Over the next two weeks I will read each one and add my headteacher comment. These will then be sent out to parents.

Arrangements for September 2020:

We aim to inform all children at the end of next week who their class teacher will be next year. The arrangements are currently being finalised.

PGL September 2020:

For the past two months we have been in discussions with PGL and the Local Authority regarding the planned visit to PGL Boreatton Park in September. Unfortunately, at this point it is extremely unlikely that this will go ahead as planned. We will keep you updated.

Thank you again for all your support and I hope you all have an enjoyable weekend.

Take care and best wishes,

Mr E Flood
Headteacher
