

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

20th October 2020

Dear Parent or Carer,

We have been advised by Public Health England that there is a confirmed case of COVID-19 within our school community.

I would like to take time to reassure you that we have taken all necessary actions since hearing this information to keep all children at our school as safe as possible. As this individual hasn't been in school during their infectious period there is no need for anyone within the school community to self-isolate. I do however want to take this opportunity to remind everyone of actions which will help to reduce the spread of the virus.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from NHS 111 at

<https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/> or by phoning 119.

Yours sincerely,

Mr. E. Flood
Headteacher
