

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

26th November 2020

Dear Parents/Carers,

Christmas Cards

A number of parents have asked if children are allowed to pass Christmas cards to their friends this year.

To enable this to happen and keep things as normal as possible, we have put the following arrangements in place to ensure all guidelines are still followed.

1. Christmas Cards can only be brought into school each **Monday** where they will be stored in their class "post box".
2. The cards will then be distributed to the children on Friday and taken home that day.

Thank you in advance for your support in helping this run smoothly.

Yours sincerely,

E. Flood.
Headteacher.
