

FLU CAN SPREAD VERY EASILY, WHICH IS WHY CHILDREN ARE GIVEN A VACCINE AS PROTECTION.

There is a special flu vaccine which works really well in children

**It is given by a painless nasal spray and offered to all school children
(Reception to year 11)**

**Please ensure you have given your email address to the school office so you
can receive your Childs electronic consent**

If you have any questions please contact the immunisation team on

0151 295 3833

**AS WELL AS PROTECTING YOUR CHILD AGAINST FLU,
HAVING THE VACCINE HELPS STOP FLU SPREADING TO
YOUR FAMILY AND FRIENDS.**
