

Start of day arrangements - September 2021.

Liverpool City Council and Public Health Liverpool are advising that adults should still consider wearing a face mask in areas which may be overcrowded, such as the end of the school day.

Children in Reception have been given their own start time for their morning or afternoon session for the first five days. They will then follow the time below from Thursday 9th September.

These arrangements will be reviewed in the coming weeks to see if we are able to return to our “normal” start times for all children.

8.30am	Year 6	Yard Gate	Classroom Door

- **It is really important that you aim to arrive at school at the allocated time. This is important to try and reduce the number of children and parents on site and outside the school gates at any one time.**
- **From Thursday 9th September, children in Reception, who also have a sibling in school, will enter the school at the same time as the oldest sibling in their family. This allows the parent to leave the site immediately and reduce crowding.**
