

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

22nd October 2021

Dear Parents/Carers,

As we come the end of our first half term, I would like to thank everyone for their support over the last 8 weeks. It has been so pleasing to see how well each child has settled into their new year groups and in the case of Reception, how well they have settled in school. It is always a great start to the day for the staff on the gate each morning to see so many smiles!

It has been an extremely busy 8 weeks where we have faced challenges of illness due to COVID and other bugs and viruses. Thank you again for following all guidelines to help keep our community safe.

As we did see an increase in COVID cases during September and October, we are not in a position to lessen any of our current restrictions in school. Therefore, the arrangements surrounding the start of the day and lunchtimes will continue in our Risk Assessment. This will be reviewed again at the end of November.

Parents' Evening

When we return in November, you will receive a letter informing you of details of our Parents' Evenings which will take place during the week beginning 8th November. All meetings for parents who have children in Year 1 to Year 6 will take place by Zoom or by phone. Arrangements will be made for Reception parents' meetings to take place face to face in a safe environment. If the number of infections drop in the Spring Term, we will hopefully be in a position to arrange all meetings face to face.

I hope that you all have a wonderful half term break and I look forward to welcoming everyone back to school on Monday 1st November.

Yours sincerely,

E. Flood.
Headteacher.
