

Supporting Behaviours that Challenge

Parents and carers in Knowsley whose children display behaviours that challenge can access a new FREE learning programme

I wish I knew how to understand and manage her behaviour.

I don't understand why he's behaving like this...is it because he has autism?

If you have concerns about your child's behaviour, learn about different neurodevelopmental conditions and associated mental health needs and how to manage these behaviours.

FREE learning programme for families
- no diagnosis necessary
