Monday 17th January 2022

Dear Parents / Carers of Children in Key Stage 2 (Years 3-6),

As you may be aware, our school is very lucky to be able to work with professionals from the ADHD Foundation who offer support to pupils and parents of children with neurodiverse conditions such as Autism and/or ADHD.

This **Friday 21st January** we are pleased to confirm that Tracey Dickens, Director of Therapeutic Services at the ADHD Foundation, is available to offer 1:1 telephone conversations with parents to offer any support and advice they may need with supporting their child with ASD/ADHD.

Phone calls will be confidential and Tracey will be able to offer support, advice and strategies tailored to your individual situation and your child's needs. Your child does not need to have a diagnosis of ASD or ADHD as Tracey can also offer support to parents of children who are currently on the Pathway awaiting assessment.

Phone calls will take place on the afternoon of **Friday 21st January after 12.30pm**. If you would like to request a phone call consultation with Tracey, please either phone the school office to make your request or fill in the form below and return it to school by **Wednesday 19th January**. Please give your name, the age of your child (they must be in Key Stage 2) and a telephone number that Tracey will be able to contact you on. Places are limited so places will be allocated on a first come, first served basis.

Yours sincerely

Miss L Kavanagh
SENCO & Deputy Headteacher
