"FOLLOWING IN THE FOOTSTEPS OF CHRIST"

## Thank you

All staff would like to say a huge thank you for all kind words, gifts and cards received from the children.

We wish all our SPB families a happy, safe and relaxing summer holiday.

15.07.22

### EYFS End of Year Assembly

On Monday and Tuesday, Reception showcased their end of year assembly to their families. The children shared some of the wonderful topics they have learnt about during this year. The singing was amazing! Well done to all our boys and girls, you were all superstars!

### Y6 Prom

Y6 had a fantastic time at their Leaver's Prom on Wednesday evening! Thank you to all staff who helped to organise the event.

Thank you to Adrianna and Curtis Awork's mum, Yasmine, who provided the balloons and a special thank you to past pupil Chloe Vives who gave her time for free to DJ the event.

If you would like to book Chloe to DJ an event you can contact her via Instagram @chloev\_dj or email [djchloev@outlook.com](mailto:djchloev@outlook.com)

### Staff Update

Mrs Kinsella will be retiring at the end of this academic year after 33 years at our school! Mrs Kinsella has dedicated her whole teaching career to the families and children of St. Paschal Baylon Primary School. For this, we are eternally grateful. Thank you to Mrs Kinsella for her many years of service to our school community and we wish her every happiness for the future.

Miss Dillon will also be leaving us at the end of this academic year. We wish her well and thank her for her many contributions to our school and our children during her time at St. Paschal Baylon.

We would like to welcome Miss Devereux and Miss Williams who will be joining our school in September.

### Diary Dates

Children Return to School – Monday 5<sup>th</sup> September

Y6 PGL Trip – Monday 12<sup>th</sup> to Friday 16<sup>th</sup> September 2022

### St Francis Xavier's College Open Evening

St Francis Xavier are looking forward to welcoming prospective Year 7 pupils and their families to visit on Thursday 22<sup>nd</sup> September 2022 5pm – 8pm.

No booking required.

## WHAT'S BEEN HAPPENING IN SCHOOL THIS WEEK?

### EYFS:

Wow, we can't believe it is our last week in Reception this week! The children have grown so much throughout the year and have been showing us how ready they are for Year One! We were so proud of the children, and all the hard work they put into practicing for their end of year assembly, we really hope you enjoyed it too! It was so lovely to welcome the parents in to the school at the end of the year. The children also enjoyed sharing their assembly with other teachers and pupils from our school, they were all very impressed. We have been busy during busy time, thinking about our wishes for Year One and the children did some great writing. Thank you for all your kind words and gifts, and for all the support you have shown us this year. We hope you all have a great summer, we look forward to seeing the children in Year 1 in September.

## YEAR ONE:

It has been a wonderful final week in Year 1! The children have revisited some of the topics we have learnt over the year. The children remembered all the parts of the body from our Animals and Humans Science topic, labelled the continents of the world and the countries in the UK in Geography, practised writing skills to make amazing Summer acrostic poems and practised their drawing skills in Art as well! We were very impressed with how much they remembered!

On Thursday we used tissue paper and colouring pens to create amazing face masks! And then had a fantastic party to celebrate the end of our year! The children showed off their super dancing and brilliant karaoke skills! It was so much fun! We also said a big good bye to Miss Dillon this week, she will be greatly missed at SPB!

## YEAR TWO:

And just like that we are at the end of Year 2! What a journey we have been on – it has been our first full year of school since starting St. Paschal Baylon! Over the year, we have all become a little bit taller, independent and still managed to have lots of fun along the way. We have put incredible efforts into our learning both inside and outside of the classroom and have become such fantastic pupils in our lovely school. We look forward to moving into Year 3 and continuing our journey together finding out lots of new things and setting an example for the younger children in our school. To end the year, we have been very sad to see Mrs Kinsella finish her career in teaching after 33 years at St. Paschal Baylon. We wish her all the very best for the future and hope it is everything she would want it to be. Finally, as we come to the end of the school year, the Year 2 teaching team would like to thank all the parents and carers who have continued to support us throughout the year. You have made our jobs much easier by being on board and supporting the children to become the best they can be. Thank you all, and we hope you have a lovely summer break.

## YEAR THREE:

And just like that – in the blink of an eye – we come to the end of another school year. We hope the children have thoroughly enjoyed their first full year of learning since Reception, and they certainly deserve a break after all their hard work. To say it has been a pleasure to teach them is an understatement and we know that they will continue to be the lovely year group that they have been so far. We would like to also take the opportunity to thank parents and carers for their support throughout the year. Good bye and good luck for the future to you all (Mrs. Ashton/ Mr. Sunter/ Mrs. Roberts Housley).

## YEAR FOUR:

Wow! We can't believe we have completed Year 4 and what an enjoyable last week we have had. We have been learning how to read and write coordinates in Maths, we have completed our medals in Art by using acrylic paints and bubble writing to add the finishing touches and we have created our own classification keys in Science. Alongside our usual lessons, we also enjoyed watching Reception's end of year performance on Wednesday and learning how to play Boccia and New Age Curling on Thursday afternoon. Friday was a day of fun with our friends; playing on laptops, drawing, colouring and celebrating a great year.

We are very proud of all of the children for their achievements this year and we cannot wait to see them as Year 5s in September. Thank you all for your support throughout the year and we hope you all have a wonderful summer break!

## YEAR FIVE:

What a busy final week in Year 5! We finished off our Greek myths topic by creating our own heroes and beasts based on Theseus and the Minotaur, created our own comprehension questions about Perseus and debated whether or not Daedalus should be happy living in King Minos' palace. In Maths we learned how to write Roman numerals into the thousands and practised multiplying by two-digit numbers. In RE, we learned about gold mining in the Democratic Republic of Congo and wrote letters to the heads of the mining companies asking them to be better stewards of God's creation and people. In History, we wrote balanced arguments about life in Athens and Sparta but our favourite part of the week was making bags in D&T! We were very impressed with the quality of the sewing! The Year 5 staff would like to take the opportunity to thank the children for all of their hard work and efforts this year. They have celebrated many successes and should be incredibly proud of themselves. We hope you have enjoyed the year as much as we have and wish you the best of luck in Year 6! Happy holidays!

## YEAR SIX:

This week we went on our local walk around the local area for our Geography topic. The Ordnance survey map helped us to locate things and we suggested some symbols of our own. We had a day where we had a carousel of activities in which we played basketball, football, arts and crafts and ICT. Just for fun we made no-bake cheesecakes which looked like shop bought cakes! A brilliant end to a wonderful year!
