

# St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

Dear Parents/Carers,

Please see the flyer below regarding musical instrument tuition at our school. This service is provided by an external company who deal with the payments, queries, monitoring and assessment of your child's progress. We have used this company for many years pre-pandemic and would be eager to be able to provide this opportunity again. If your child is in **Years 3-6** and they are interested in receiving tuition then please complete the registration form on the website listed on the flyer. Once we know how many children are interested, then we can organise days, times and available spaces for the classes to take place.

If you have any questions then please contact Schools Music Service directly, either via email or telephone.

Kind Regards  
Mrs Mutch.

## **Instrumental Tuition at St Paschal Baylon Catholic Primary School**

**We've been in touch with St Paschal Baylon Catholic Primary School recently to discuss the possibility of us returning to school to start instrumental classes for KS2.**

**We are suggesting that we offer classes on guitar, keyboard and violin, on the school premises, in small group half hour sessions, after school.**

**Classes cost £7.20 per small group session and students do need their own instruments to bring into school for the classes.**

**If you would like more information about our tuition here is a link to our website where you can see how everything works  
- [www.schoolsmusicservice.co.uk](http://www.schoolsmusicservice.co.uk)**

**There is also information on our website about the sort of instruments that are suitable for the sessions and how to obtain them, if you are not already equipped.**

**It is our belief that music enriches the life of a child, both academically and socially.**

**Our teachers are extremely excited that we may be coming back to your school.**
