Following In The Footsteps Of Christ

3rd March 2023

Dear Parents/Carers,

It was great to see the children today dressed as their favourite book character or in their pyjamas, promoting the importance of bedtime stories. Thank you for the time and effort you put in to make this happen. The children had a great day and it was wonderful to see our older and younger children reading to each other throughout the day.

I would also like to take this opportunity to remind everyone how you can keep up to date with what your child is learning in school each week. We have a number of ways in which we constantly share this information to ensure that all parents are informed as to what their child is currently learning in school.

- Our **school website** – under the “Curriculum” tab you can see what each year group will be learning across each individual subject throughout the year. Under the “Year Group” tab you can see individual year group’s curriculum overview.
- Our **weekly school newsletter** – each Friday, the class teachers provide a summary of what the children have been covering in school that week. This is a great way to see what your child has been learning! (This is added to the website every Friday afternoon and a text with a link is sent to parents after school each Friday as well.)
- **Year Group Twitter** pages – a number of pictures will be posted throughout the week on each year group’s feed linked to the learning taking place.

- **Half Termly Rights Respecting Schools Newsletter** – This is available on the school website under the “News & Events” tab.
- **Tapestry and Stay and Play**– Reception only
- **Parents Evening** and a termly written report.

Our staff are also available to discuss any issues with your child’s learning to see how we can work together to support your child. We firmly believe that the closer parents/carers and school work together, this can only have positive benefits for our children.

As always, thank you for your continued support.

Yours sincerely,

Mr. E. Flood
