WE OPEN THE WAY

BPR 009

Bowring Park Road

1ST September 2023

Dear Resident/Business,

We would like to update you regarding the planned nighttime carriageway surfacing works on the Bowring Park Road.

We have this scheduled to commence on the 11th September 2023 from 7pm through to 1am for approximately 4 weeks Monday to Friday.

This traffic management will be a full closure of Bowring Park Road from the Knowsley boundary at the Greystone Foot Bridge through to the Rocky Lane junction and including the junction at Chelwood Avenue for the following dates:

11th September to the 15th September

25th September to the 3rd October.

There will be a closure from the junction of Rocky Lane up to Chelwood Avenue for the following dates:

18th September to the 20th September

3rd October to the 6th October

Access to properties will be maintained however restrictions may be in place and residents may be advised to park cars on neighbouring streets when the planning and resurfacing progresses past each driveway. This can be advised during the shift by the onsite supervisors who will contact each resident in advance of starting the works.

Access to businesses will be maintained from Chelwood Avenue.

Please note, noise related operations such as the planning plant are permitted up to 11pm and asphalt installation will cease at 1am. The road will remain closed and traffic management will be removed at 4am, once the carriageway temperature has lowered and the road is safe to re-open.

Dates quoted are indicative and maybe subject to change due to circumstances beyond our control however we will provide updates accordingly.

If you require any further information or feel you will require special assistance during the upcoming works, please contact Colas on hip.enquiries@colas.co.uk

Alternatively, you can call into the site office that will be located at the Bowring Park Rd end of Willingdon Road

I would like to take this opportunity in advance to thank you for your understanding and co-operation.

Kind Regards

On Behalf of Liverpool City Council.
