

St Paschal Baylon Catholic Primary School

Following In The Footsteps Of Christ

8th May 2024

Dear Parents/Carers,

The Archdiocese of Liverpool School Building Fund (Levy)

As you are aware St Paschal Baylon Catholic Primary School is a Catholic Voluntary Aided school. This means that the Government provides money for staff salaries, books and equipment but the building costs and repairs are paid for by the Archdiocese of Liverpool.

All Catholic schools in Liverpool pay a share of money based on pupil numbers, towards the building fund. In line with Archdiocesan Policy we respectfully ask that parents/carers contribute £10 per year per child, or per family if you have more than one child in school.

In recent years our school has benefitted from the Archdiocese Fund in the following ways:

- New Year 1 classroom
- Refurbishment and extension of the school office
- Extension of dining hall
- Enclosing classrooms
- New roof
- New fencing within the grounds
- Division of Y1 Classrooms
- Partitioning of Reception Classrooms

Thank you once again for your continued support.

Mr E Flood
Head Teacher
