November 2024

Dear Friends at St. Paschal Baylon Catholic Primary School,

On behalf of the babies, families, and team here at Zoe's Place, I would like to thank you for your recent very generous donation of £1360.80. We couldn't offer the level of care and support to the children and families who access our care, without people like you. We are so grateful for your continued support.

We have been amazed and humbled by the overwhelming support the people of Liverpool and beyond have offered Zoe's Place since we announced that our Liverpool hospice might close. Thank you so much for your generosity, and determination and for understanding how essential Zoe's Place Baby Hospice is. We are so happy with the outcome and couldn't have done it without the overwhelming support from the community. We are thrilled we can continue to provide these services to the children and families who access our care. Thanks for being part of making this happen.

It costs in the region £1.8 million per year to deliver our services in Liverpool alone. All of this is only possible because so many people care about the families we support as much as we do. Thank you once again. Your support, particularly in this season, is so valued and appreciated.

Best wishes,
