

Geography Long Term Plan

	<u>Early Years</u>	<u>Year One</u>	<u>Year Two</u>	<u>Year Three</u>	<u>Year Four</u>	<u>Year Five</u>	<u>Year Six</u>
Autumn	Walk of our school grounds Introducing the city and country we live in (Liverpool/England) Google maps and symbols of places such as school, hospital, police and fire stations	Study of our school grounds and local area Fieldwork and map work	Study of Liverpool Identifying human and physical features	UK regions and counties Fieldwork of the local area Exploring land use over time using maps and aerial photographs	Settlements and types of land use Urban and rural environments Trade and transport links	World maps Continents and oceans Latitude and longitude Tropics of Cancer and Capricorn Hemispheres Climate and time zones	OS maps Fieldwork of the local area Focus on human geography – leisure
Spring	Learning the names of the continents Discussing their similarities and differences between Antarctica and where we live	UK countries Capital cities Characteristics incl. weather	UK surrounding seas Coasts and cliffs including Formby	Comparing regions in UK Human and physical features (Lake District) What attracts people to there?	Comparing Liverpool to a contrasting region in a European country – (Catalonia, Barcelona)	World trade distribution and resources Focus on cotton trade	What's in the news? Researching global issues
Summer	Talking about places we have been on holiday, discussing similarities and differences Using maps to identify places Exploring habitats around the world	Continents and oceans Equator/North and South Poles Hot and cold areas of the world	Comparing Liverpool to a small place in a non-European continent (Toluca, Mexico)	Volcanoes How they are formed Eruptions Locating volcanoes Advantages and disadvantages of living near a volcano	The water cycle and rivers Focus on River Mersey	South America Biomes Amazon basin	North America Human and physical features Climates Populations Case study: New York
On-going	Global issues such as pollution, deforestation ect. Seasons Weather	Global issues such as pollution, deforestation ect. Seasonal changes Weather	Global issues such as pollution, deforestation ect. UK countries and capitals Continents and oceans Weather	Global issues such as pollution, deforestation ect. UK countries, cities and seas Continents and oceans	Global issues such as pollution, deforestation ect. UK countries, regions, cities and seas Continents and oceans	Global issues such as pollution, deforestation ect. UK incl. counties World maps What's in the news?	Global issues such as pollution, deforestation ect. World maps What's in the news?
