Following In The Footsteps Of Christ

Dear Parents/ Carers,

We are delighted to be restarting our KS2 choir again this year. Now that the children are settled into their new school year, we would like to invite your child to participate. Choir is a brilliant opportunity for the pupils to explore a new, creative talent, or show off their amazing singing skills. We sing popular songs, hymns, musical theatre and much more. The children also get opportunities to sing in concerts in school, school Mass and assemblies, and out in our local community throughout the year.

Sessions will take place each **Monday**, starting **15th September** from **3.00pm to 4.00pm** and the children will be dismissed from the **side doors to the extension**. If you are happy for your child to take part in the school choir, please could you complete the pro forma below and return it to school as soon as possible. As there is usually a great deal of interest in choir, places will be offered in the order in which forms are returned. Any children who were members of choir last academic year, are also required to fill in the pro forma for this new school year. It will be wonderful to see the choir continue and thrive this year, and as always thank you for your continued support.
