Following In The Footsteps Of Christ

Tuesday 28th April 2026

Dear Parents / Carers of Year 6 Children,

As we work through the Summer term, we are aware that your minds will be turning to your children's transition to the next phase of their educational journey in their new schools in September.

With this in mind, we are working with the Liverpool Parenting Team who will be delivering a Moving Up workshop for parents and carers of children in Year 6. This is a great opportunity to get some advice about supporting your child (and yourself!) through the transition process. Please see the poster on the reverse of this letter for more details. The Year 6 teaching team will also be present to explain a bit more about how we as a school help to prepare the children for this exciting next stage of their educational journey. The workshop will take place in school on **Wednesday 17th June at 2.00pm** and will last approximately one hour. Everyone is welcome to attend but we and the team would like an idea of numbers so if you would like to attend, please let school know by completing and returning the form below to your child's class teacher.

We will, as always, work with the children this term to help them build the knowledge and skills they need to go on to be happy and successful in their new schools and we are sure that with your support, the children of St Paschal Baylon will continue to make themselves and all of us proud as they move on to this exciting next phase of their lives!

Yours Sincerely
