Following In The Footsteps Of Christ

10th June 2026

Dear Parents and Carers,

Following the text earlier today regarding the change of time for athletics on Friday I would like to provide more details. The initial text was just to give as much advance warning as possible. You heard about the change of time 5 minutes after we heard! This was due to District 3's event also being cancelled today.

The children will travel to the event by school minibus. The event is due to start at 10.30am. After the event all children will return to school, as we should finish before 2.00pm. Parents are still very welcome to attend.

Children will require a packed lunch with them as we will be out of school over lunchtime. If this is an issue due to short notice, please contact the school office and we will ask Chef Jack to provide your child with a packed a lunch.

Apologies for the change of time, but unfortunately, we have no control over the weather and this is the first time that two of the three districts have been postponed in the same year. We are however really pleased that our children will still get the opportunity to compete and showcase their talents!

Yours Sincerely,

Mr E Flood
