WHAT'S BEEN HAPPENING IN SCHOOL THIS WEEK?

EYFS:

We can't quite believe it's our last week in Reception! What an incredible year it has been. This week, we have continued our learning about money in Numeracy, finding the total of two coins. We have also spent time reflecting on our wonderful year together, sharing our favourite memories before writing and drawing about them. As we look ahead to the summer holidays, we discussed the importance of sun safety and shared different ways we can keep ourselves safe in the sunshine. We have loved spending lots of time enjoying free play in both our classroom and outdoor area, making the most of our final days together. On Wednesday, we thoroughly enjoyed the annual SPB's Got Talent show and were incredibly proud of our finalists, George, Shay and Harry—well done, boys! We also loved watching the choir's fantastic performance on Thursday. As we come to the end of a truly special year, we would like to thank you all for your continued support, kindness, and generosity. Your lovely words, thoughtful cards and gifts have meant so much to us. We hope you all have a wonderful summer filled with happiness, fun and sunshine. Have a well-deserved rest, and we look forward to hearing all about your adventures when we see you in September!

YEAR ONE:

We have had a wonderful final week in Year 1. We have done some exploring of Mass, Volume and Capacity in Maths and practised some of our key skills in English. It was great fun watching the talent show this week, so much talent in SPB.

It has been a wonderful year this year. We are all so proud of the children and how far they have come. We know they will shine bright in Year 2. Thank you all for your support this year!

YEAR TWO:

What a fantastic year we have all had together in Year 2. It has been a pleasure to see how much the children have grown in confidence and how much happiness they have brought to all our days in school. The children have enjoyed a fun filled final last week where they have enjoyed St. Paschal Baylon's got talent, obstacle courses and parachute games. The Year 2 teaching team would like to thank all our parents and carers for your continued support and kindness throughout the year. We hope you all have a lovely summer with your families and look forward to seeing all the children in KS2 as the new Year 3's in September.

YEAR THREE:

What a fantastic final week of the school year we have had in Year 3! We have been incredibly busy sketching designs for our Roman-inspired frescoes, demonstrating our brilliant understanding of light and shadows in science, and celebrating the International Day of Friendship by creating a beautiful class pledge to always be kind, include everyone, listen to others, and celebrate what makes us unique. The children were also treated to some performances this week including our Year 6 Leavers' Assembly, 'St Paschal Baylon's Got Talent' and our fantastic choir. We were so proud of our Year 3 representatives in the talent show and the choir performance! They were amazing! It has been a wonderfully fast-paced and rewarding year, and we cannot believe how quickly the time has flown by. We are so incredibly proud of how much the children have grown, and we wish all of our wonderful Year 3 families a fantastic, well-deserved summer break!

YEAR FOUR:

It has been an extremely busy and action-packed final week in Year 4! On Monday, we were able to celebrate Mass together as a school community, and it was wonderful to see everyone looking so smart in their outfits. The children were also presented with their Holy Communion certificates from Fr. Colin. After Mass, the children changed into their party clothes and enjoyed an afternoon of dancing, singing and celebrating together. On Tuesday, we visited the World Museum to round off our learning about Ancient Egypt. During one of the workshops, the children became archaeologists, carefully investigating evidence and examining genuine artefacts before learning all about the fascinating process of mummification. In R.E., we have been learning about the Five Pillars of Islam, exploring how these important beliefs and practices guide the daily lives of Muslims. Finally, in Maths, we completed our chapter on position and movement. It has been a wonderful week to end a fantastic year of learning! Thank you for all of your kind messages, thoughtful cards and generous gifts—they are truly appreciated. Finally, thank you for your continued support throughout the year. We hope you all have a safe, relaxing and well-deserved summer!

YEAR FIVE:

As we come to the end of another wonderful year, we would like to say a heartfelt thanks to all our Year 5 families for your continued support, encouragement, and partnership throughout the year. It has made a real difference. To the children, thank you for your enthusiasm, resilience, kindness, and hard work. You have embraced every challenge, celebrated every success, and should be incredibly proud of everything you have achieved this year. Watching you grow in confidence, independence, and maturity has been a real privilege. We know you are more than ready for the exciting challenges of Year 6. Have a fantastic summer filled with laughter and enjoy making happy memories. Stay safe, have fun and we look forward to hearing all about your summer adventures in September!

YEAR SIX:

Year 6 have enjoyed a truly wonderful final week, filled with special memories and celebrations. Our Leavers' Assembly was a great success, and it was lovely to see so many parents join us for this emotional occasion. Thank you to everyone who attended and helped make it so memorable. The Year 6 Prom was fabulous, with everyone dressing up, dancing, and having a fantastic time together. We also held a special assembly where each child was presented with their Baylon Bear and a leavers' booklet, giving them a keepsake to remember their time with us. We are so proud of them all and wish them every success in the future!
